

## Questions to The Overturned Garbage Can

1. Have you ever seen an overturned garbage can?
2. Do people separate the garbage in your neighbourhood properly?
3. Can you list what type of waste needs to be collected in recycling bins and what colour those bins are?
4. Design a sticker for people's garbage cans who do not recycle.
5. How else do you think the messy people could have been disciplined?
6. What could happen if people didn't throw hazardous waste into the proper containers?
7. What is recycled waste good for? What can they make out of plastic bottles, newspapers, etc.?
8. Why is it important for you to wear a helmet while bicycling?
